Product Name	Anti-NT-proBNP mAb
Catalogue No.	Ab<NT-proBNP>001
Description	Monoclonal Mouse Antibody specific to Human N-Terminal pro-Brain Natriuretic Peptide (NT-proBNP)
Application	CLIA or lateral flow assays
Source	In vitro cultured CHO
Purification method	Protein A/G
IgG Purity	≥ 95 %
Monomers	≥ 95 %
Appearance	Transparent Liquid
Buffer	PBS, 0.05% Proclin300
Pack Size	Custom Fill
Stability	At +2-8 °C for 36 months.
